Look, Read, and Circle

(4 x 1 = 4)

1. This person helps people who are sick or hurt.

2. There is a button for each floor, and you can ride it to go up or down.

3. When you are hurt or sick, this quickly takes you to the hospital.

4. Doing this every day helps you stay healthy and strong.

Read and Circle

(5 x 2 = 10)

Yesterday, my friends and I were at the park playing soccer. I had the ball and shot at the goal. Laki tried to block it, but he missed it. I scored a goal! I was so happy that I did a dance to celebrate. But I forgot to tie my shoelaces and tripped. I fell on a rock and hurt my leg. Thanks to Laki, my Dad came to help me. We rode an ambulance to the hospital. When we got to the hospital, the doctor took an X-ray of my leg. We found out that I broke my leg when I tripped and fell. The pain was really serious. I had to stay in the hospital and wear a cast on my leg. I can now walk again with my crutches. My friends came to visit me at the hospital this morning. They all signed my cast. I hope that I will get well soon.

1. What were Ola and his friends doing yesterday?
A. playing basketball B. playing baseball C. playing soccer

2. What caused Ola to trip and fall?
A. his shoes B. the soccer ball C. his shoelaces
